

One way out

INTRO (12 bars)

Ain't but one way out, baby, I just can't go out the door
Ain't but one way out, baby and I just can't go out the door
'Cause there's a man down there...
Might be your man, I don't know

Lord, I'm foolish to be here in the first place
Another man gonna come and take my place
'Cause there's a man down there...
Might be your man, I don't know
