

GOOD ROCKIN' DADDY

You can really go go go
Jumpin' fast or rock it slow
I will see ya when the band don't blow
Now hold it, don't move it now boogie some more

You're a good rockin' daddy
Yes you're a good rockin' daddy
Come on now
Up on your feet, you can't be beat
You're a good rockin' daddy

I told the girls all to come and see
Just what the sandman brought to me
They stood around with a great big smile
And when you did the crazy twist they all went wild

You're a good rockin' daddy
Yes you're a good rockin' daddy
Come on now up on your feet, you can't be beat
You're a good rockin' daddy

SOLO (Richard)

I hold you close and hold you tight
You rock n' roll from left to right
'Round and 'round and 'round we go
Rest awhile then we boogie some more

You're a good rockin' daddy
Yes you're a good rockin' daddy
Come on now up on your feet you can't be beat
You're a good rockin' daddy

SOLO (Gus)

Good rockin' daddy (x3)
