

Fortunate son
Them changes
One way out
Step on it
Nada, nada, nada
I'm a man
Have love will travel
Badlands
Don't keep me wondering
Heroes
Ay ay mi vecina
Twenty flight rock
Woke up This Morning
Get out of my life woman
I Just wanna make ...
Directly from my heart ...
Gerundula
Feelin' alright
That train...

Three hours past midnight
Low rider
Shake
Every day I have the blues
Good Rocking Daddy
El payo
You've got to move
Taxman
Somebody's always trying
Decidamente Extraño
Start it up
Escalera mecánica
When this war is over
Brown sugar
Blues Local
Route 66
After Dark
Shake rattle and roll
