# Woke up this morning

Woke up this morning

Said my baby was gone (2)

Feels so bad

I'm all alone

Ain't got nobody

No one to call my own (2)

Said I feel so bad

I'm all alone

SHUFFLE

Woke up this morning

My baby was gone (2)

Said I feel so bad

I'm all alone

Somebody help me

I can't help myself (2)|

Said I need someone so bad

That I'm crying for help

SHUFFLE...
