

Somebody's always trying  
Directly from my heart ...  
El payo  
Good Rocking Daddy  
Need your love so bad  
Don't keep me wondering  
Outside woman blues  
The stumble  
Badlands  
Twenty flight rock  
When this war is over

I Just wanna make ...

Them changes

Fooled around and fell in love

Have love will travel

I'm a man

Three hours past midnight

Blues Local

Ay-ay mi vecina

Every day I have the blues

Brown sugar
